Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Chair Forese and Commissioners,

I am writing to you today to be heard in the APS rate case. I operate a small business, which helps to keep my local economy strong. I hire local employees and provide a service to the local community.

If APS increases its fixed monthly charge, which I hear can be up to 75%, it could have a negative impact on my business and my community. I would likely have to reduce employee hours or operating hours to compensate for this increase in charges.

Please take small businesses into consideration when making your decision on this case and vote against an increase to the monthly fixed charge.

Thank you for your time,

Arizona Corporation Commission
